

The Second BC Provincial Pediatric Pain Management Symposium:

Accredited by UBC CPD

CONTINUING PROFESSIONAL DEVELOPMENT
FACULTY OF MEDICINE

September 22-24, 2017

VANCOUVER

Join us for inspiring keynotes, case-based breakout sessions, and diverse perspectives of pain management in children.

This symposium will focus on acute pain management, prevention of chronic post surgical pain and the multidisciplinary approach of chronic/complex pain.

KEYNOTE PRESENTERS:

Innovations in Spinal Surgery: A Surgical Perspective on Complex Post-Surgical Pain

Dr. Firoz Miyanji, pediatric spinal surgeon, BC Children's Hospital

Understanding the Link between Culture & Care: Sharing Knowledge about Indigenous People & Pain

Dr. Margot Latimer and John Sylliboy, The Aboriginal Hurt and Healing Initiative

Preventative Multimodal Analgesia in Acute Pediatric Pain

Dr. Gillian Lauder, Pediatric Anesthesiologist, Director Acute Pain Service, BC Children's Hospital

The Role of Mindfulness in Pediatric Pain Management

Dr. Dzung Vo, Pediatrician, Director, Adolescent Medicine Fellowship program, BC Children's Hospital
